

# Watercolor Art

## Numbers 1-20 Lesson

### Target Skills:

- count from 1-20
- start to identify quantities from 1-20

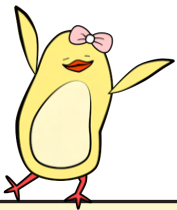

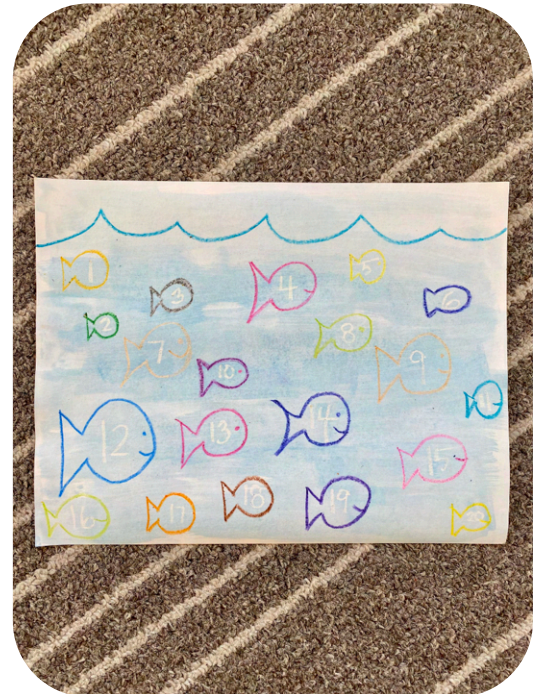

### Supply List:

- card stock
- crayons
- watercolor paints

### Instructions:

- draw 20 fish with crayons
- add the numbers 1-20 using the white crayon in the fish
- paint a light wash of blue paint revealing the numbers

### Want more?

Mix up the order when drawing the numbers on the fish, then try to find them in order from 1-20 while painting.
