

# Brainstorm Verbs

## Friends Song

### Target Skills:

- brainstorm together as a class
- write a sentence using new verbs

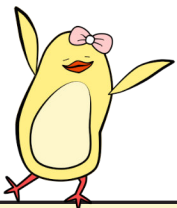

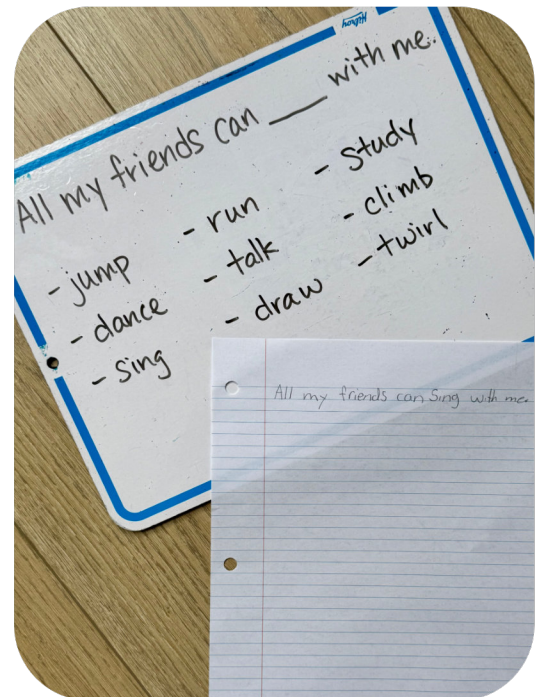

### Supply List:

- white board
- white board marker
- paper & pencil

### Instructions:

- print the sentence "All my friends can \_\_\_\_\_ with me." on the board
- brainstorm new verbs together on the board
- have students pick a verb they like from the list and print the sentence filling in the blank with that verb on their own paper (this can be done together on the board if needed)

### Want more?

Print a few new sentences on the board and sing them together to the karaoke version video on the website.
