

Teaching Tips

Summer Vacation

Target Skills:

- identify a summer vacation destination
- strengthen fine motor skills

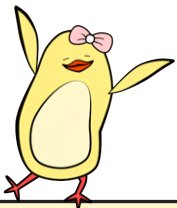

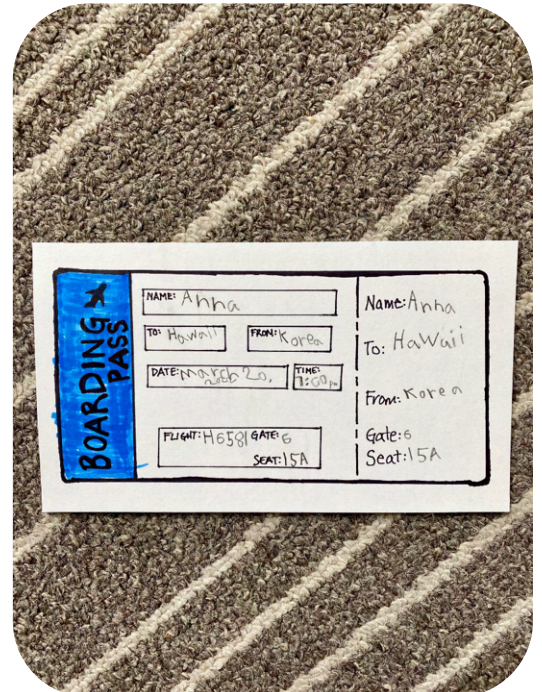

Supply List:

- card stock
- pencil
- markers

Instructions:

- make a ticket template (for a plane, train, or bus)
- add the destination and any other important details

Want more?

This activity is easy to modify. For a non-writer just draw the destination. You could also make pretend passports with self portraits on them.
