

It's a Beautiful Day

Lyrics

Verse 1

There's something in the air
I want to go outside
I see the golden sun
Up in the blue, blue sky
And the clouds have gone away
It's a beautiful day

Verse 2

There's something in the air
I want to go outside
I see the flowers bloom
Blue, yellow, pink, and white
And the clouds have gone away
It's a beautiful day

Chorus

And I will
Walk down a pretty road
See the birds and say hello
Sing a sweet melody
Sweet as the air I breathe
And the clouds have gone away
It's a beautiful day

Bridge

Long nights and frozen trees
Cold winds and empty streets
All gone and far away
On this new day

Verse 3

There's something in the air
I want to go outside
I see the golden sun
Up in the blue, blue sky
And the clouds have gone away
It's a beautiful day

(Chorus)

Outro

La la la lala la...
It's a beautiful day
