

Counting 1-20

Numbers Lesson 1-20

Trace the words below.

one two three

four five six

seven eight nine

ten eleven twelve

thirteen fourteen

fifteen sixteen

seventeen

Trace the words below continued.

eighteen

nineteen twenty

Listen to the lesson and circle the numbers you hear.

10 20 25 1 32 12 18
16 9 45 3 7 100 5

Ask 3 to 10 students to stand in a circle. Beginning with one student, have them count aloud from one to twenty, going around the circle in order.
